**Item 1.01 Entry into a Material Definitive Agreement.**

On April 4, 2019, Bellicum Pharmaceuticals, Inc. (the “Company”) entered into a Supply Agreement (the “Agreement”), made effective as of March 27, 2019 (the “Effective Date”), with Miltenyi Biotec GmbH (“Miltenyi”) pursuant to which Miltenyi agreed to supply the Company with certain products in connection with the development and manufacture of certain of the Company’s products.

Pursuant to the Agreement, the Company agreed to make an aggregate €2 million upfront payment to Miltenyi in two installments, with the first installment payable upon execution of the agreement and the second installment payable following the first anniversary of the Effective Date. The Company also agreed to pay Miltenyi up to an aggregate of €500 thousand in milestone payments in connection with certain regulatory events. In addition, the Company agreed to make minimum annual purchases under the Agreement.

The Agreement has an initial term of 10 years from the Effective Date, unless terminated earlier pursuant to its terms. The Company also has the option to renew the agreement for successive five year terms. Either party may terminate the agreement upon written notice of a material breach by the other party, if such breach has not been cured within a defined period of receiving such notice, bankruptcy of the other party or occurrence of a force majeure event that cannot be overcome within three continuous months. In addition, the Company may terminate the Agreement upon 90 days written notice to Miltenyi, subject to certain specified conditions.

The foregoing description of the Agreement is only a summary and is qualified in its entirety by reference to the Agreement. The Company intends to file a copy of the Agreement as an exhibit to its Quarterly Report on Form 10-Q for its fiscal quarter ending March 31, 2019, portions of which will be redacted pursuant to Rule 24b-2 under the Securities Exchange Act of 1934, as amended.
